- ❖ Distribution of Assistance to Pregnant and Lactating Woman (PLW) and Children with Disabilities (CWD) Beneficiaries
- ❖ Gender Sensitivity Orientation- Seminar & Workshop
- ❖ Voters Education

Distribution of Food - Rasyons

As part of the Program for Nutritional Support against malnutrition for Children with disabilities and malnourished, the Gota de Leche conducted its regular distribution of foods – *rasyons*. Together with the pregnant and lactating mothers living NCR and greater Manila areas. Distributed packs containing milk (for CWD's) rice (for PLW), vitamins, oatmeal, cheese & margarine spreads, vitamins and paracetamol. With the help of our volunteers from The Society of Helping Hands on the distribution and facilitation of the event.

Gender Sensitivity Awareness seminar

Gota de Leche conducted Gender Sensitivity and Awareness seminar which attended by our beneficiaries both in Children with Disabilities and Pregnant & Lactating women. Activities and sharing were involved as part of the participation of the attendees. This seminar aims to uplift the moral of our women and the gender equality laws that has been implemented by the government.

Voters Education

We also conducted voter's education seminar wherein the volunteer speaker discussed the specifically importance of ones votes which can contribute to the progress and peace in a certain country. To encourage voters to participate in the whole electoral and governance process and eventually the effect on being informed on the political choices among individual voters.

✚ Gota de Leche Extension Clinic

Our beneficiaries from San Jose Del Monte Bulacan had already face to face health Check Up for our malnourished and children with disabilities through our pediatrician – Dra. Mimi Maranan who had been a volunteer doctor for many years on the existence of the program of Gota de Leche. They also received food *rasyons* as part of nutritional support program of Gota de Leche.

✚ *Many thanks to our generous and charitable groups and individuals who continually support the programs of Gota de Leche.*
