Dear Sirs:

I send you herewith an assessment notice from the Bureau of Internal Revenue with reference to the gift made to you during 1947. As you no doubt have already included the gift I made you during 1947 in your 1947 Donee's Gift tax return, I have notified the Bureau of Internal Revenue that you will take this assessment up direct with them.

Yours turly,

(Mrs.) MARY McD. BACHRACH
